

FEW ARE
THOSE WHO
HAVE ARRIVED

FEWER STILL
THOSE WITH
THE KEYS
TO THIS LIFE

WITH A RARE FREEHOLD HOME

IN THE HEART OF THE CITY

NOTALL HOMES ARE CREATED EQUAL

Meet the abode for those who refuse to settle
for anything less than exceptional. Start with the
coveted freehold address in prime District 9.
Add a rare vantage point, overlooking Orchard Road
at one end and Singapore River at the other.
Then there's the matter of pedigree, courtesy of ADDP
and studioMilou, the latter the architects behind the
iconic transformation of the National Gallery Singapore.
It all makes for so much more than a home.
Meet the newest landmark in town — The Avenir.

ARRIVE TO A DEPARTURE

FROM THE ORDINARY

From the moment of arrival, the scene is set for elevated living.

Sleekly detailed with luxe verdant accents, the Arrival Courtyard is a tantalising hint of what awaits within.

Ease into a life of comfort with the Concierge team on hand to tend to your needs and wants. From transport arrangements, laundry and housekeeping, to catering for parties or scheduling a personal trainer, help is just a call away.*

In contemporary city living, what truer measure of luxury than space to breathe?
The perfect foil to the two towering residential blocks, the landscaping is designed to heighten that rare sense of freedom.

Taking centre stage is the Great Lawn, an expanse of emerald green flanked by the sapphire blue of the 50m Lap Pool. With the gymnasium cantilevering over the lawn, let the open vista inspire your workouts.

STEP UP TO NEW LEVELS OF RELAXATION

Taking full advantage of the sloping grounds is a distinctive stepped architecture, with recreational facilities and lush landscaping interwoven. Along with cantilevered spaces, the staggered heights and depths of the terraces imbue these modern-day hanging gardens with a lively sense of movement and dynamism.

Next to the Great Lawn, the 50m Lap Pool beckons you to take a dip.

Tranquillity Garden Gourmet Salon

Escape to this tranquil spot when you need respite from the world, book in one hand and cup of tea in the other.

Host a party or gather your friends and family for a casual cookout.

Hydrotherapy Pool Roof Garden

Rejuvenate your mind and body, step in and let the spa jets massage the day's worries away.

Up on the roof of both residential towers, bask in unrivalled panoramas of the city.

8 A M

Go safe with your usual order or brave the latest coffee fad? With the plethora of cafes in the vicinity, this wouldn't be your only tough decision.

9 A M

Home to ancient artefacts, Fort Canning Park is an exercise in history as well as an exercise for your body.

1 2 P M

Indulge in retail therapy at the ever-evolving Orchard Road, a vibrant shopping street on par with the best in the world.

2 P M

Classical or contemporary, local or international, discover art of all spectrum at the museums and galleries nearby.

7 P M

Lovers of dance, music and theatre will relish the lineup of world-class performances over at the Esplanade.

1 0 P M

Wind down with a lovely stroll along the Singapore River. Hats off to those who can resist dessert or a nightcap at the bistros and bars lining Boat Quay.

WISE ARE THOSE WHO SAY BEAUTY IS ON THE INSIDE

An exquisite collection of one to four-bedroom apartments await your pleasure, with your choice of views towards the city or completely unblocked towards Singapore River.

Savour an uncommon spaciousness with thoughtful layouts, and a generously sized balcony which extends from the living area and lends it an open, airy ambience.

At the end of the day, retire to interiors that are as lavish as they are large. In the kitchen, you will find a full suite of appliances to turn even the simplest of meals into a work of art.

The same attention to detail is evident in the master bath graced by sophisticated wares befitting this most private of sanctuaries.
